New Coffee Customers.
We are getting many new coffee customers these days and every one of them says: "I have been using such and such a brand of coffee but the other day I had a cup of Chase & Sanborn's Seal Brand coffee at my neighbor's and I never before tasted such delicious coffee, hereafter I will use only Chase & Sanborn's."

LEAGUE BALL FOR EL PASO IN 1910

Meeting To Be Held Here in a Short Time to Settle Upon Schedule.

When the baseball season opens in El Paso during the spring of 1910, El Paso will be represented by a professional baseball team forming a part of the Cactus league, which will be comprised of from four to six teams in this section of the country.

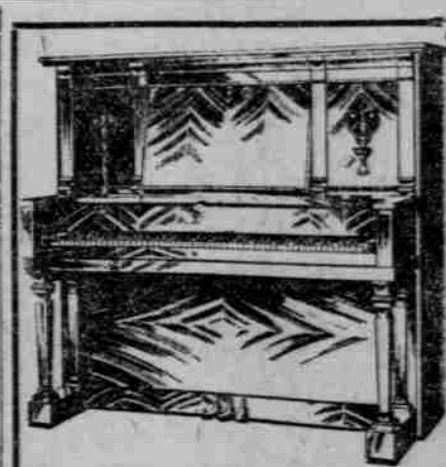

E. E. Neff, who for some time has exerted every effort to bring this matter to a culmination, states that no definite information as to what teams will comprise the league can be given out until after Jan. 21, when an important meeting of prominent baseball men will be held in this city and plans formulated for the establishment of the "Cactus league."

Mr. Neff has been chosen as chairman of this section for the National baseball league and the franchise for a league in this section has been granted.
